For the fifth year, the San Fernando Valley Business Journal publishes its list of the 50 Fastest Growing Private Companies in the region.

The ranking is based on average three-year revenue growth percentage from 2006, 2007 and 2008. This groundbreaking research uncovers our region's top emerging growth companies.

The reception recognizes all the companies on the List with a special award to a "rising star."

Along with the List of the top 50 companies, the San Fernando Valley Business Journal publishes a special report featuring in-depth editorial coverage of these top companies on **November 23rd**.

Reception tickets available for \$60.  
Event sponsorships available by calling  
**818.676.1750.**
