

**Get ready for a bright future**

**Office of Economic Development and Workforce Education**

# **GREEN JOBS & PRE-APPRENTICESHIP TRAINING WITH JOB PLACEMENT ASSISTANCE**

**8-week training courses  
Starting May 2011  
(Repeating in July & September 2011)**

**Please come to one of our two Orientations at Los Angeles City College:  
Saturday, March 26th: 10:00 am: Science and Tech Building Room 132 (SCI-132)  
Saturday, April 9th: 10:00 am: Science and Tech Building Room 132 (SCI-132)  
Training is FREE for low income residents of South Los Angeles.**

The training course will prepare you to be successful in getting into apprenticeships in trades such as Electrical, HVAC, Pipefitting, and Welding. The training course will also prepare you to gain utility licensing in Residential Energy Auditing and Assessment. You will learn computer basics and job survival skills. Assistance with job placement will be available.

- Course content**
- Introduction to Green Technology
  - Electrical and Mechanical Competency
  - Basic Technical Math Preparation
  - Residential Energy Basics
  - Energy Management Assessment
  - Customer Service and Job Readiness

*“Ninety-two percent of the Pathways Out of Poverty program is funded by a \$4 million grant from the American Recovery and Reinvestment Act (ARRA) through the Department of Labor Employment and Training Administration.”*
