

Iowa House Caucus Campaign- Campaign Managers, State House races

The Iowa House Caucus Campaign is accepting resumes for Campaign Managers for targeted State House races. The Campaign Managers will have an opportunity to learn first hand each aspect of a legislative campaign. They will be responsible for the campaign to achieve set benchmarks. The managers will be the main contact between the candidate and the central staff in Des Moines.

Come join the premiere caucus program in the nation. Help us protect and expand the Iowa House Democratic majority.

Campaign Managers will be responsible for creating a finance plan and achieving the fundraising goals. In achieving the goals, the managers will be responsible for scheduling candidate call time, setting up fundraising events, and assisting in fundraising mailings.

Managers will also be responsible for writing and implementing a field plan for the campaign. This will include researching community events, community leaders, volunteer recruitment, and volunteer management. Managers will plan candidate and volunteer door knocks. In addition to the field plan, managers will be responsible for GOTV/election day plans in their district.

Managers will get firsthand experience in media both paid and earned. Managers will work with the central staff as polling, direct mail, radio, and television messages are drafted. They will also work with the local press and draft press releases. The manager will also be responsible for staffing the candidate at events. Positions become available early April.

The position ends November 15, 2010.

Some prior campaign experience is preferred.

Salary will range from \$2,750 to \$3,250 and we will provide a benefits package including health care, vacation, and sick leave. We will also pay mileage and a cell phone stipend.
