APPLICATION DEADLINE

Applications must be received by **THURSDAY, OCTOBER 22, 2009.**

SELECTION PROCESS Examination Weight: Written Test 100%

The examination score will be based entirely on the results of a written test. In the written test, which will consist entirely of multiple-choice questions, candidates may be examined for a knowledge of: reinforcing terminology, methods, practices, materials, tools, and equipment; snap, straight, figure 8, "U", and saddle ties with and without round turns on vertical and horizontal bars; safety principles and practices, including first aid, related to reinforcing steel work; cutting with acetylene torches; hand signals to communicate with crane operators; the ability to read blueprints sufficient to detail and order materials necessary to complete a job; and other necessary knowledge and abilities.

The multiple-choice written test will be administered in a single half-day session in Los Angeles. The first date scheduled for the written test is **SATURDAY, NOVEMBER 21, 2009.** Candidates will be notified later by mail of the time and location.

Due to the City's current economic situation, not all those who file will be tested. Promotional candidates will be tested before open candidates. Qualified open applicants may be scheduled for testing based on the date that their applications were filed and DWP hiring needs. Future test dates may be scheduled later if necessary and candidates will be notified by mail of the date, time, and location that they are scheduled for the written test.

NOTES As a covered entity under the Fair Employment and Housing Act and Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and, upon request, will provide reasonable accommodations to ensure equal access to its programs, services, and activities.

Applications are accepted subject to review to ensure that minimum qualifications are met. Candidates may be disqualified at any time if it is determined that they do not possess the minimum qualifications stated on this bulletin.

The promotional list will ordinarily be used ahead of the open competitive list. However, if open competitive candidates receive a higher score, without military credits, than the highest available promotional candidate, after adding seniority credit at the rate of 0.25 of a point for each year of continuous classified City service, the Civil Service Commission, upon request of the appointing authority, may approve certification of such open competitive candidates ahead of the promotional candidates.

A final average score of 70% is required to be placed on the eligible list. In conjunction with Civil Service rules, applicants who are current eligible City employees or are on a reserve list will be considered Promotional candidates while all other applicants will be considered Open candidates.

**THIS EXAMINATION IS TO BE GIVEN BOTH ON AN
INTERDEPARTMENTAL PROMOTIONAL AND OPEN COMPETITIVE BASIS
