

Apply for a Full-Tuition College Scholarship and Internship

Over \$4 million in scholarships and internships available

Need to revive your career skills? This summer, eLearners.com is responding to the economic crisis with the [Career Stimulus Package](#) for working adults like you to develop a successful career through online degrees. Here's what's inside this unique grassroots "package":

- A full-ride scholarship to study at an accredited online university
- A paid, one-week internship with a professional in your career field

That's \$4 million total in scholarships, plus priceless internship experiences.
